Bingo Volunteer

Summary:

Join our team as a valued volunteer and make a real impact in your own community! Our Bingo events play a crucial role in this work. The funds raised through Bingo provide substantial financial support for each municipality where we have a Bingo location, helping to sustain existing programs and introduce new initiatives tailored to the needs of the local community. By volunteering and committing to attending scheduled shifts, you directly contribute to creating opportunities, resources, and support for autistic individuals and their families in your area. If shifts and commitments are not met at the Bingo Hall, Autism Ontario directly loses revenue. Your support is crucial.
